# **ROHIT BANERJEE**

## **OBJECTIVE**

To further my understanding of mathematics and computer science through challenging work with real world applications.

# PROFESSIONAL ACHIEVEMENTS

#### **UNDERGRADUATE MATHEMATICS RESEARCH**

- Poster presentation at the Undergraduate Mathematics Symposium at UIC (2018)
- Presented at the annual Joint Mathematics Meeting in Baltimore hosted by the American Mathematical Society (2019)

# **COMPETITIONS**

 First place at Benedictine University's Data Analytics and Visualization Hackathon (2018)

#### **BOY SCOUTS OF AMERICA**

Eagle Scout Award (2016)

# **SKILLS**

**Applied and Theoretical Mathematics** 

C/C++, JavaScript, Python, HTML/CSS, SQLite, SciKit-Learn, TensorFlow

French (Conversational), Spanish (Beginner)

# **WORK HISTORY**

# **KUMON MATH TUTOR**

January 2015 - May 2016

DELIVERY DRIVER, JIMMY JOHNS, BOLINGBROOK, IL

May 2016 – August 2017

## **EDUCATION**

## **UNIVERSITY OF ILLINOIS AT CHICAGO**

- B.S. in Mathematics and Computer Science (Expected Spring 2020)
- Minor in Chemistry
- Honors College (Fall 2016 Present)
- 3.54 UIC GPA
- Courses in proof-based Mathematics, theoretical/applied Computer Science, and Statistics/Probability
